

## Biscuit Blanket

**Errata Sheet: July 15, 2009**

### **Button Hole Row**

1. K4; bring yarn to front, slip 1 stitch.
2. Bring yarn to back after slipped stitch and drop yarn.
3. \*Slip 1 stitch; cast 1 stitch off\*; repeat until three stitches have been cast off.
4. Slip last cast off stitch from right needle back to left.
5. Turn work.
6. Pick up hanging yarn and pass to back of work.
7. Cast on 4 stitches using the Cable Cast On Method, as follows:
  - a. Slip right needle between first two stitches on left needle.
  - b. YO and pull yarn through the two stitches.
  - c. Slip the newly formed stitch from the right needle to the left and knit that stitch.
  - d. Pass the knitted stitch back to the left needle.
  - e. Repeat this action until you have cast on 4 new stitches.
8. Slip last cast on stitch back to right needle.
9. Bring yarn forward between needle tips. Slip stitch on right needle back to left needle.
10. Turn work.
- 11a. Slip the first stitch on the left needle to the right needle and cast that stitch off.
- 11b. At this point you will have eight stitches on the right-hand needle.
12. Knit until you reach last eight stitches on row. Bring yarn to front, slip 1 stitch.
- 13a. Repeat **Steps 2** through **11a**.
- 13b. At this point you will have 4 stitches remaining on the left-hand needle.
14. Knit last four stitches on row.
